

Rising Star Tour Rules 2023

The objective of the Rising Star Tour is to provide a platform for amateur dancers to grow and improve their swing dancing skills in the context of choreographed routines.

Dancer Eligibility

To participate in the 2023 Rising Star Tour (RST), each dancer must:

1. Be fifteen (15) years or older by the end of any qualifying event at which they are competing
2. Never have placed or made a qualifying final of a NASDE Classic or Showcase division
3. Not have Champion or Invitational points within the last ten (10) years
4. Never have won the RST top point award in previous seasons
5. Never have placed top three (3) in the Open Rising Star division

RST Sportsmanship Expectations

Sportsmanship is a fundamental aspect of our competition. Competing for the RST prize fund is privilege, not a right. The event director may flag a competitor's behavior as un-sportsman-like. Said behavior will be reviewed by the NASDE board at the next scheduled NASDE Board meeting. Redress for violations can include but are not limited to deduction of points, dropping in level in the overall standing, or removal of competitor from the RST list.

RST Prop Rules

To ensure the safety of competitors and the audience, **no props** are allowed in NASDE routines. A prop is defined as any article or object that is intentionally discarded, removed, taken away, or brought into a dance by a competitor. This includes, but not limited to, a hat that is thrown to the floor, a cane that is tossed away, or picking up an object from the floor. The referee will be designated as ensuring this rule is enforced. If the referee determines a violation occurred, the NASDE Referee will be used for verification and applying penalties.

RST Restart Rules

Re-starts will be allowed in NASDE Classic or Showcase divisions, if something occurs during the performance that would *impact the safety* of the competitors.

This includes:

1. Technical problems — factors outside the dancers control (e.g., lights in ballroom go out, flooring is faulty or damages, music suddenly stops)

OR,

2. Costume malfunctions — shoe breaks or becomes unfastened or untied; costume tears or breaks, and loose items could endanger dancers or expose a part of body that would not normally be exposed in a public setting.

If such a problem occurs during a performance, the Chief Judge may stop the performance, until the problem can be addressed and rectified at the time of the competition. The competitors may also willingly stop their performance and ask the Chief Judge for a Re-start.

The competitors must request the re-start prior to their departure from competition dance floor. They must speak to the Chief Judge when the problem occurs.

If it is determined that a Re-Start is allowable, the Chief Judge will then make a decide based on their situation and ask the couples to dance/restart as quick as possible.

Staff Judges will be instructed by the Chief Judge to judge the competitors on the repeat performance only. The performance that occurred before the Re-Start will not be counted toward the competitor's overall ranking.
